PRODUCT DESIGN

QMP reserves the right to change the design of our products from time to time without prior notice. Images within this catalogue are correct at time of going to press, but may differ at point of order. We also reserve the right to discontinue products. If you require a product to exactly match a particular design, please contact us before placing an order to ensure this is possible.

COLOUR MATCHING

Whilst we will always use paints manufactured to specified RAL numbers, no guarantee can be given to provide an exact match of colour or finish with previously made product. This also applies to worktops for workbenches and compact laminate for locker doors.

SPECIAL PRODUCTS

Even though our range of products is wide, we know that from time to time a users particular needs can only be met by a specially designed product. In these circumstances, our technical team will be delighted to discuss how our standard design might be adapted to suit the specific requirements of a particular application. This might include how to accommodate existing features or equipment safely, or changing dimensions, colours and material specifications from those we use as standard.

Our Special Product Design Service includes:

- Examining the original sketch or idea.
- Developing the concept in harmony with QMP manufacturing methods.
- Producing a drawing or sample for approval prior to production.
- The expertise of an AutoCAD and/or JETCAM in-house designer.
- A-Z project management of the whole process, from idea through to design, all the way to delivery and installation.

MADE IN GREAT BRITAIN

Special Colours and Finishes

To personalise a product, perhaps to match your organisations logo, brand or corporate colour scheme, you can choose from a wide variety of other colours and finishes. Most RAL colours can be applied to our product ranges. As well as gloss, there are also matt and metallic finishes - all of which are subject to a modest additional charge and minimum order requirement.

INSTALLATION

In addition to designing, manufacturing and delivering your QMP product, we can also install it on your customers premises. For a moderate charge, our expert installation crews, backed by our professional project management team will ensure your order is installed on site at a convenient time and to high standards.

N.B. If an installation date needs to be cancelled or changed for any reason, 48 hours notice will be needed otherwise charges may apply.

Our experienced and fully trained installation team:

-  Work safely within current Health & Safety regulations and willingly comply with site rules and regulations.
-  Work quickly to minimise any disruption.
-  Bring all necessary tools and equipment with them.
-  Are courteous and friendly at all times.
-  Carry ID if required.
-  Ask for a signature to confirm complete satisfaction with work.

Our service includes:

-  Moving the order from point of delivery to point of use.
-  Unpacking the order from its protective transit packaging.
-  Assembling all product supplied in flat pack format.
-  Positioning the product in the correct place.
-  Securing product to wall or floor as applicable.
-  By prior arrangement, carrying out any selected ground works.

DELIVERY

Deliveries are made to a ground floor site such as goods-in or reception, during office hours Monday to Friday. Delivery outside of these locations or hours can be arranged for an additional charge. Details are available from our sales office. Delivery dates are estimates only & the company shall not be liable for any loss or damage resulting from any delay in delivery.

TERMS AND CONDITIONS

Small order charges - Orders of less than £350 excluding VAT after any applicable discounts may, at our discretion, attract a small order charge of £25 per delivery to mainland UK addresses. Certain low value orders may be made available only on an ex-works basis.

Call off orders - We accept call-off orders provided the delivery date for all call offs is confirmed in writing on the purchase order. Once the order is placed, call off dates may not be changed except by prior agreement. Should call off dates not be confirmed at the time of order, QMP will price and manufacture the call offs as separate orders.

Off shore deliveries - We can arrange delivery at extra cost to offshore locations. Details are available on request from our sales office.

Payment terms - QMP payment terms are 30 days net end of month following the month of invoice for credit accounts. Credit accounts are available subject to status.

Returns - In the unlikely event of you wishing to return goods, please contact our sales office for authorisation. If a return of goods is accepted, a handling charge of 25% of the invoice value plus delivery costs will apply. The customer would be expected to arrange return transport at his expense. Bespoke and specially made products cannot be returned unless defective.

Cancelling orders - Please call us immediately should you wish to cancel an order. We accept order cancellations without charge provided we have not started to make your order. If production has started, cancelling your order will be subject to a cancellation charge in proportion to our incurred costs.

Shortages and damages - We ask that you notify us within three days of receipt of goods of any shortage or damage.

Product design - We reserve the right to change the design of our products from time to time without prior notice. We also reserve the right to discontinue products.

Colour matching - Whereas, we will always use paints manufactured to specified RAL numbers, no guarantee can be given to provide an exact match of colour or finish with previously made product.

Retention of title - Goods remain the property of QMP until paid for in full.

PRODUCT DESIGN

QMP reserves the right to change the design of our products from time to time without prior notice. Images within this catalogue are correct at time of going to press, but may differ at point of order. We also reserve the right to discontinue products. If you require a product to exactly match a particular design, please contact us before placing an order to ensure this is possible.

COLOUR MATCHING

Whilst we will always use paints manufactured to specified RAL numbers, no guarantee can be given to provide an exact match of colour or finish with previously made product. This also applies to worktops for workbenches and compact laminate for locker doors.
