MADE IN GREAT BRITAIN

All of the products featured are produced in our manufacturing facility in the West Midlands.

Here at QMP we continue to develop new products to meet our customers requirements and expectations.

For a moderate charge, our expert installation crews and our project management team will ensure your order is installed on site to high standards.

ABOUT QMP

Since 1959 QMP has established itself as one of the UK's leading trade only manufacturers. From our site, located in the West Midlands, we design and manufacture an ever expanding range of products which are supplied by our network of distributors throughout the UK and Europe.

QMP supplies some of the most renowned companies in a variety of sectors including industrial, office, packaging, education and electronics.

We manufacture for major export projects into Europe, the Middle East and Africa. If you would like further information regarding the export of our products, please speak to a member of our sales team on +44(0)1384 899800.

The current 80,000sq ft manufacturing facility is equipped with some of the most sophisticated machinery worldwide, with lights out Punching and Bending, Robot Welding and an automatic Powder Coating Plant.

Large quantity bespoke projects have been produced by QMP for some of the most leading companies worldwide including Amazon, Adidas, Jaguar Land Rover, Rolls Royce, Laura Ashley and the Mercedes AMG Petronas F1 team.

QMP's distributors receive ongoing support and after sales care from the dedicated team in Sales, Customer Service and Marketing.

We pride ourselves on quality, service and competitiveness. These core values have seen QMP become one of the UK's leading Industrial Equipment manufacturers.

Our aim is to be the automatic choice for customers who want the best workplace equipment on the market.
